COMMANDER, 35th Signal Brigade (Theater Tactical)

Welcome to the 35th Signal Brigade (Theater Tactical) and "Lion Country".

The 35th Signal Brigade has a long and proud tradition of service to the Army and the Signal Corps. The mission of the Brigade is both challenging and exciting as we serve as one of two Tactical Signal Brigades in the Continental United States (CONUS). The mission of the Brigade is to deploy worldwide to install, operate, maintain and protect theater tactical communications in support of Joint and combined operations across the spectrum of conflict, providing contingency signal support for all Combatant Commanders. The 35th Signal Brigade consists of a Headquarters and Headquarters Company, the 50th, 51st, 63rd, 67th Expeditionary Signal Battalions (ESB), along with the 518th Signal Company. The Motto for the Brigade is "Utmost Of Our Ability."
