Answer questions 1 thru 8 : Strongly Agree, Agree, Neutral, Disagree, or Strongly Disagree

1. My current duty position involves joint communications planning.

2. The technical level of the course in relation to my job requirements are too in depth.

3. The course was relevant to my needs and the knowledge gained is helping me in my current duties.

4. The course provided a clear understanding of joint C4 planning and improved my level of competence.

5. The course provided me a better understanding of my own service and sister-service C4 capabilities.

6. The course prepared me for future assignments that will involve joint communications planning.

7. The course was appropriate for my rank/grade?

8. Would you recommend the course to anyone going to their first joint duty communications assignment?

9. What joint communications planning tools are you using if any?

10. Comments you would like to share or things you would like to be added or removed from the course:
