Your selection is a distinct honor, which should serve as a source of considerable pride and accomplishment.

This is a guide containing information about the NCOA Det and other areas of interest on and around Fort Meade. It is imperative that you read the instructions outlined in this guide in order to make your transition smooth. Ensure special attention to Section VI: Fact Sheet that outlines the funding process for NCOA Det students and provides specific information for your TDY Orders.

Your report date is an administrative day and training will begin the next day. All ALC and SLC students will take a record APFT and participate in a height and weight screening 72 hours after their report date. Also, be sure to make note of the newly implemented APFT and height & weight requirements outlined in the References section of this guide. There will be a training schedule posted for your review throughout the course. Your immediate supervisor throughout the course will be your Small Group Leader (SGL).

Complete the enclosed Advance Information Sheet (AIS) and return it to your SGL within 5 days. Complete all other forms and bring with you on your report date. If you have any questions that cannot be answered by the Welcome Guide, then feel free to contact your SGL. You may also contact Operations at DSN 622-2421 or Comm. 301-677-2421. Our fax number is DSN 622-4595 or Comm. 301-677-4595. Again, congratulations on your selection. We look forward to your arrival and successful completion of the course.

Section III: Policies & Procedures

Introduction

This is not an all-inclusive guide, but an overview of the key items. You will be required to read the Fort Meade and NCOA Det policy letters after reporting.

Small Group Leader (SGL) / Instructors

An SGL will guide each class for the duration of the course. The SGL is the immediate supervisor of all students regardless of their rank. The SGL is the student's first link in their chain of command.

The SGL maintains academic records, presents lessons, monitor classes, and counsels students throughout the course. He will administer various academic and performance evaluations on all students.

The SGL compiles all training data, both academic and performance, and prepares an Academic Evaluation Report (AER), DA Form 1059. You will receive the completed form upon graduation.

Physical Fitness and HT & WT Standards

Students attending SLC and ALC will be administered a height & weight screening, as well as, a record APFT 72 hours after their report date, unless they are within 90 days of redeployment.

As of November 1, 2012, the APFT and height & weight standards have become a graduation requirement. Students who fail to pass the APFT or meet height & weight standards, IAW AR 600-9, will receive one additional retest/rescreening and will participate in supplemental physical training. Students who fail the retest/rescreening will subsequently fail the course. The students' DA 1059 will also reflect failure. For more information, review the Army Directive 2012-20 within this guide.

Absences

Students will obtain permission from their SGL prior to leaving the NCOA Det area for any absences. Any unauthorized absence will be reported and may result in possible elimination from the course. It is the responsibility of the student to makeup training missed due to absences.

Profiles

Soldiers possessing permanent profiles must provide a copy of DA Form 3349 Physical Profile, Physical Evaluation Board (PEB) or Military Medical Review Board (MMRB) proceedings in order to enroll in the NCOA Det. IAW ALARACT Message 297/2009, "Soldiers with medical profiles (temporary or permanent) due to operational deployment will be permitted by their immediate commanders to attend PME (NCOES) within the guidelines of their profile." Any other temporary profiles or Soldiers within their recovery period following a temporary profile will be denied enrollment IAW AR 350-10.

Soldiers must arrive at the course of instruction with a copy of their current temporary profile and memorandum signed by their commander stating the temporary profile is a direct result of injuries sustained due to participation in OIF/OEF.

Students acquiring a temporary profile after enrollment are subject to dismissal from the course without prejudice and may return when convenient. If there are any questions about the above requirements, refer to TRADOC Regulation 350-10, Para 2-6d or contact your SGL or Operations.

Section III: Policies & Procedures

SHARP / EO

The goal of the Army's Sexual Harassment/Assault Response and Prevention (SHARP) program is to eliminate these acts by creating a climate that respects the dignity of member of the Army Family.

The Equal Opportunity (EO) program formulates, directs, and sustains a comprehensive effort to maximize human potential to ensure fair treatment for military personnel, family members, and civilians.

The NCOA Detachment has SHARP and EO trained NCOs who guide, assist and mentor Soldiers through difficult situations and choices that fall under these policies. Violations of any Army policies may be grounds for dismissal.

Driving Under The Influence

Driving while drinking, possessing an open alcoholic beverage container, or driving under the influence of alcohol or drugs is an extremely serious offense and will not be tolerated. One incident will lead to at least a General Officer Letter of Reprimand and administrative dismissal from the NCOA Det. The state of Maryland continues to enforce a "Zero Tolerance" for DUI/DWI.

Personal Appearance

Each student will maintain high personal and professional standards. Strict adherence to standards, as prescribed in existing Army Regulations will be constantly enforced.

All students have the opportunity to present complaints, grievances, offer suggestions, or discuss problems with the Branch Chief during duty hours and after normal hours by appointment.

The use of the NCO Support Channel is highly encouraged, but it will not be necessary prior to seeing the Branch Chief. In order to ensure adequate time is provided to each student who wishes to use the Open Door Policy, the NCO Support Channel is expected to have the opportunity to make an appointment. Schedule appointments through your SGL.

Section III: Policies & Procedures

IG Complaints

There is no requirement for anyone to discuss any problem with the Chain of Command prior to seeing the Inspector General (IG). However, it's requested that the student express their desire to see the IG to the Chain of Command who will assist in scheduling an appointment. The intent of this request is to assist each student in solving problems at the lowest level possible and ensure accountability at all times.

The Honor System

All personnel assigned or attached to the NCO Academy are subject to the NCO Academy Honor Code:

“I will not lie, cheat, steal, or plagiarize, nor will I tolerate those who do.”

Terminology

Lying - conveying any communication that is not completely truthful. Withholding information to create a false impression is also lying.

Graduation

A graduation ceremony completes the course of instruction. Its purpose is to recognize your accomplishments, as well as, your classmates. Family members, friends, guests, and the NCO's Chain of Command are welcome to attend the graduation ceremony. The uniform for graduation is the (blue or green) Army Service Uniform (ASU). Students will be responsible for developing the graduation program, inviting guests, and coordination for a guest speaker.

ALC and SLC graduations are normally held at DINFOS. Graduations normally take place from 1400-1500. All reservations for departure times should not be scheduled until after 1700.

Section IV: Examinations & Evaluations

Out-Processing / Clearing

Students must utilize the NCOA Det Student Clearance Record and may start clearing the duty day prior to graduation. Students staying in the barracks will clear through their SGL.

Operations personnel will ensure all students clear all the proper locations.

Student Evaluation Plan

Every student will be provided a copy of the Student Evaluation Plan (SEP) at the beginning of each phase of instruction. The SEP covers academic policies, graduation requirements and honors criteria in detail.

Testing Procedures

You will be evaluated on all aspects of the course. This includes material presented from the platform, observed in demonstrations, practical exercises, and required home study assignments.

Examinations are an integral part of the academic process. Their purpose is to measure academic achievement and determine the effectiveness of instruction. Evaluations at the NCOA Det are prepared with primary reference to course objectives and are composed of items that sample the information, methods, and principles presented during the course of instruction.

Written examinations will test students' knowledge and understanding. Written examination and other evaluation results assist in determining final class standings. For all CMF 46 exams the minimum passing score is 70%. For CMF 25, the Technical Exams the minimum passing score is 80%, Leadership 70%, and CIED 72%. Students who fail an initial test are removed from honors consideration IAW TR 350-10; Para 2-9 b. Students who fail to meet established academic criteria after two separate evaluations (original test and one re-test) would be dismissed from

training for academic deficiency. Students passing the retest would be awarded the minimum passing score of 70% for grade averaging and class standing, regardless of actual score.

Examinations / Graded Exercises

An end-of-block test will be given for each period of instruction. Some practical exercises are also graded. Training schedules contain exam dates and covered subject matter.

IAW AR 350-41 and FM 7-22, a physical fitness training program will be conducted and evaluated. Physical training is held Monday through Friday. A record APFT will be conducted after 72 hours of report date.

Students will participate in practical exercises designed to assist in developing a general knowledge of various subjects. In such experiences, students may role-play as a staff member, commander, platoon sergeant, or member of a small work group. Students will be observed and rated on a "GO/NO-GO" basis for their participation and manner of performance.

Other physical events include three foot marches of 3,6, and 9-miles with 35lbs rucks and an FTX/MOCX.

These reports are designed to portray the accomplishments, potential, and limitations of the individual as demonstrated while attending this course of instruction.

Section V: Student Organization & Responsibilities

Student Support Channel

Each class is organized as a Platoon, with students rotating as Platoon Sergeant and Squad leaders. When more than one class is in house, a Student First Sergeant position is designated.

Students will rotate through these positions to allow each student the opportunity for a leadership position. SGLs will verbally notify the student NCO support channel of any additional responsibilities.

The assigned student leaders are responsible for ensuring the NCOA Det area, including individual rooms, all common areas and outside areas, are clean at all times.

Each class member will serve in at least one leadership position. The SGL conducts leadership evaluation on each student in each position. Expect Leadership Evaluations at any time during the course.

Formations

The student chain-of-command will conduct formations at times indicated by the training schedule and at any other time directed by the SGL. Requests to make changes must be brought to the attention of the SGL. The SGL supervises formations to ensure that they are IAW FM 3-21.5, Drill and Ceremonies.

Staff Duty

Students are required to perform staff duty from 1800-2200, Mon-Fri. They are responsible for cleaning all areas and floor maintenance. Details of staff duty will be briefed on your report date and specific instructions will come from the Staff Duty Officer (SDO) prior to each shift.

Section VI: Fact Sheet

1. Students will report as follows:

All ALC and SLC students will report to the NCOA Det, Building 8541 after 1200 to begin in-processing at 1300 on their REPORT DAY. All active duty ALC students will be assigned to Freedom Center barracks. All SLC students will be assigned to on post lodging, Abrams Hall, Building 2793 for room assignment. Soldier stationed or on orders for Fort Meade are not authorized any type of billeting.

2. Students are not required to pay for lodging (on-post or off-post) for the duration of the course. Cost of your stay will be centrally funded by the installation through the Military Training Service Support (MTSS) program. When on-post lodging is not available, Fort Meade lodging will secure a contracted room off-post. Students directed to report to training site without local transportation (i.e. POV) are encouraged to contact their SGL or NCOA Det Operations at Comm. (301) 677-2421/3069 or DSN 622-2421/3069, in case of complications.

All Courses: “Lodging is provided at no cost to the Soldier for the duration of the course.”

3. Cost of meals is funded by the installation through the MTSS program.

ALC: “Meals are provided at no cost to the Soldier, seven days a week.”

SLC: “Meals are provided at no cost to the Soldier on weekdays with full per diem for meals on weekends and Federal holidays.”

4. On-post bus service is available, seven days per week. Taxi service is also available. If you travel by air, you are authorized taxi fare NTE \$40.00 a week. If the taxi authorization applies to your travel situation, make sure your orders authorizes it. You will need to keep a daily log of taxi expenses for reimbursement. Authorization up-front makes seeking reimbursement for incurred expenses easier. In and around mileage, if approved by the order-issuing official, is limited to two (2) miles per day if assigned on-post and twenty (20) miles per day if assigned off-post.

5. CONUS Soldiers are **NOT** to report early to the training site or bring dependents/family members. Fort Meade does not have sufficient facilities to provide adequate support. Any early arrivals will be the responsibility of their individual unit and for any costs incurred until report time. OCONUS Soldiers are authorized lodging one day prior to reporting and one day after graduation.

6. Any further information or questions regarding travel and per diem entitlements should be directed to your training manager or NCOA Operations at comm. (301) 677-2421/3069 or DSN 622-2421/3069 or review ALARACT 081-2013 Fort Meade Institutional Training Travel Guidance on Army Knowledge Online (CAC Required).

The Army Song

Intro:

March along, sing our song,
with the Army of the free
Count the brave, count the true,
who have fought to victory
We're the Army and proud of our name
We're the Army and proudly proclaim

Verse:

First to fight for the right,
And to build the Nation's might,
And the Army goes rolling along.
Proud of all we have done,
Fighting till the battle's won,
And the Army goes rolling along.

Refrain:

Then it's hi! hi! hey!
The Army's on its way.
Count off the cadence loud and strong;
For where'er we go,
You will always know
That the Army goes rolling along.

The Signal Corps March

From flag and torch in the Civil War
to signal satellites afar.
We give our Army the voice to give command
on battlefield or global span.
In combat, we're always in the fight,
we speed the message day or night.
Technicians too,
ever SKILLFUL, ever WATCHFUL,
we're the Army Signal Corps.
