

MANDATORY TRAINING

REQUIRED TRAINING - ACTIVE DIRECTORY ACCOUNT:

All newly assigned personnel must in-processing with S6 Automations to obtain an local Active Directory account to access the Fort Gordon network. Once your access have been established; it is the individual responsibility to track their training requiements in Army Training and Certification Tracking System (ATCTS).

The following must be completed by all personnel in-processing and annually upon direction of the battalion commander. Each individual is responsible for ensuring all required training is maintained in Army Training and Certification Tracking System (ATCTS). October is the Battalion Annual Training Month of each calendar year. Report to S6-Automation to start your local account access request. Soldiers and DA civilians must have supervisor, duty location information and training listed current. Contractors must have their contract number, company information, duty location information, ID card, and all training completed prior to obtaining both Local Active Directory and Enterprise Email Account.

[Army Training and Certification Tracking System \(ATCTS\)](#)

Newly assigned personnel must ensure their previous installation accounts were closed prior to receiving an account at Fort Gordon. Register or Login ATCTS and transfer your account under the: **TRADOC > Signal Center of Excellence > 15th Signal Brigade > 442nd Signal Battalion Staff Only**

PRO-File Certificate

Personnel with Enterprise Email Accounts must login and update their location in MilConnet.

[DoD Cyber Awareness Challenge or DoD Information Assurance \(IA\)](#)
